

**St. Peter's Musical Arts
2016-2017 Concert Series**

It is with great pleasure that the Musical Arts Committee of St. Peter's Evangelical Lutheran Church announces its 2016-2017 concert series season. St. Peter's is pleased to present these cultural opportunities at no cost to the public in order to bolster the arts community.

As a self-sustaining service, this series relies on contributions from concert-goers and patrons. Concert-goers are encouraged to help sustain this effort during intermission with a free-will offering. You can become a patron by giving money separately using the form below. Patrons donating \$30 or more will have their name printed in the program of each concert.

Additionally, volunteers are needed to help support these events. Whether it is ushering or serving as stage crew, please consider helping in these small but real ways.

The committee thanks you for your continued support and looks forward to a wonderful season of music making.
