Dear Patron of the Arts:

It is with great pleasure that the Musical Arts Committee of St. Peter's Evangelical Lutheran Church announces its 2017-2018 concert series season. St. Peter's is pleased to present these cultural opportunities at no cost to the public in order to bolster the arts community.

As a self-sustaining service, this series relies on contributions from concert-goers and patrons. Concert-goers are encouraged to help sustain this effort during intermission with a free-will offering. You can become a patron by giving money using the form below. Patrons donating \$30 or more will have their name printed in the program of each concert.

This year, the committee is excited to announce a commitment to supporting the community through a new initiative. In addition to providing concerts free of charge, 10 percent of all free-will offerings received during our programs will support other music or ministry endeavors.

The committee thanks you for your continued support and looks forward to a wonderful season of music making.
